ASSESSMENT TASK

DATE: Not Reported

NON-US COALITION NATION: Not Reported

ASSESSMENT RESPONSE:

There was 1 strike (RTF Strike # (b)(1)1.4a) in the vicinity of Mosul on 09 December 2015. The strike targeted Objective (b)(1)1.4a traveling in a dynamic vehicle in Mosul. The strike was taken in favorable conditions when no civilians were in the vicinity. Post-strike imagery from ISR FMV showed no collateral damage from the strike. Based on review of imagery from ISR FMV and the strike description mismatch with that of the alleged CIVCAS, Task Force 94-7 has determined that this reported CIVCAS

allegation is not credible.
