 Coalition position: The coalition has confirmed strikes in the vicinity of Ar Raqqa for September 27th-28th 2014: "U.S. and partner nations conducted airstrikes on four ISIL-held modular refineries and an ISIL command and control node north of Ar Raqqa; although we continue to assess the outcome of these attacks, initial indications are that they were successful."  
 In addition, for September 28th-29th 2014 the coalition also confirmed: "Two airstrikes were conducted on ISIL compounds near Ar Raqqa." However it has not conceded any civilian casualties.
