ASSESSMENT RESPONSE: The target was located at (b)(1)(1) 4a and was a moving black sedan identified to be operated by Da'esh. The allegation states that a home was destroyed. The only BDA assessed from this relevant strike was on a vehicle, not buildings. This is confirmed from attached MISREPs. Reporting is cited from Iraqi Revolution Facebook page, Al Rutba News and Al Maq News. There is no other allegation or no additional information for CIVCAS resulting from strike (b)(1)(1) 4a other than this single source. This allegation is assessed as NON-CREDIBLE. CJTF-OIR recommends no further action without any corroborating evidence.
